

STONECLEAN™ CONCENTRATES

high-performance, high-productivity formulations to clean, maintain and/or strip sealed and unsealed stone, tile, brick, concrete and cementitious surfaces

StoneClean™ "60", StoneClean "104", StoneClean & Strip and the NEW StoneClean Plus Concentrates are powerful formulations that perform an unusually wide range of tasks with laborsaving efficiency. Unlike other cleaners, strippers, and degreasers that only break up contamination, RJSC StoneClean products also "float" it up and out; or "transfer" dissolved dirt and grease into the mop. In specified dilutions [see chart on back], they safely remove surface and embedded dirt, oils, tar, grime, food and beverage spills and damaged acrylic build-up. StoneClean Plus additionally offers surface-specific benefits (see below).

StoneClean Concentrates do not contain deLimonenes that will attract oily dirt and interfere with subsequent coatings/treatments. When used in daily maintenance dilutions, there are no soapy residues to cause slip problems.

Applicable surface materials include: marble, granite, terrazzo and other dimensional stone (polished and unpolished); sealed and unsealed limestone, flamed granite and other porous natural stone; ceramic, quarry and vinyl tile; brick pavers, concrete, mortar, grout and other cementitious building materials; and all StoneLok™-sealed substrates.

STONECLEAN "60" Concentrate Marble, Tile & Stone Cleanser

High cost-efficiency for standard daily cleaning

- ❖ won't etch or dull tile, polished marble, stone or waxed surfaces
- ❖ highly effective cleansing action results in
 - easy removal of dirt, food and beverage spills
 - high cost-efficiency
- ❖ ideal for ongoing maintenance of interior and exterior sealed, unsealed, polished and unpolished surfaces
- ❖ one gallon makes up to 60 gallons in dilution
- ❖ easy to use with sponge-mop or in automatic scrubber
- ❖ no rinse necessary; very low residues

STONECLEAN & STRIP Concentrate Heavy-Duty Cleaner and Stripper

For cleaning of most surfaces before sealing/polishing

- ❖ powerful and fast performance for labor-saving efficiency to:
 - remove embedded grime
 - strip many acrylic finishes
- ❖ one gallon makes up to 20 gallons in dilution
- ❖ ideal for pre-restoration surface prep of heavily soiled surfaces and for heavy-duty cleaning of
 - porous stones such as flamed granite and brick
 - cementitious brick, pavers, mortar and grout
- ❖ will not weaken natural stone
- ❖ easy to use; typically applied with floor machine (pad or brush)

STONECLEAN "104" Concentrate Industrial Cleaner/Degreaser

For daily industrial degreasing & commercial surface prep

- ❖ true pH7, yet with cleaning and de-greasing activity superior to caustic degreasers
- ❖ in dilution, will not injure rugs, woodwork or metal
- ❖ one gallon makes up to 96 gallons in dilution
- ❖ exceptional cleansing activity
 - for one-time removal of tar and grease
 - for daily use in food-service areas/high-traffic settings
- ❖ salt-free, metasilicate-free and phosphate-free with *no* residual salts to remove
- ❖ ideal as final pre-sealing rinse (after StoneClean & Strip)
- ❖ fast in environmental breakdown

STONECLEAN PLUS Concentrate Hardsurface Protective Cleaner

❖ **Contains Vantocil IB (plyhexamethylene biguanide) for the specific purpose of making surfaces resistant to the discoloration, odor and degradation of microbial and fungal contamination**

- ❖ Ideal for regular maintenance of all kitchen, bath and similar surfaces
- ❖ one gallon makes up to 60 diluted gallons
- ❖ true pH neutral, with the exceptional cleaning capabilities of StoneClean "104"
